Template

Beat 1 Imagine... Open with the better world. Specific to each product audience.
Beat 2 Here is how... The product + the living library. Grows smarter, gets you there.
Beat 3 [Product]. [Tagline] wisdom that grows with you. See what your [audience] can do.
Closing GuruSuite / ChangelS lockup. Amplify success. Amplify you.

Maestro Testing wisdom ~58 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine your team knowing exactly what was tested, what passed, and what to do next. Every time. No hunting. No guessing.</i> On screen: calm confident person, clear results, everything in place.
Beat 2	<i>Maestro captures every test, every result, every lesson, building a living library that grows smarter with every sprint. Your team stays focused. Your testing keeps evolving.</i> On screen: organised flow, results building over time. Person at centre.
Beat 3	<i>Maestro. Testing wisdom that grows with you. Amplify Success Amplify You.</i> Maestro icon. GuruSuite / ChangelS lockup. Amplify success. Amplify you.

Weavr Knowledge wisdom ~60 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine every person in your organization being able to find exactly what they need. How things work, why decisions were made, who knows what. Instantly.</i> On screen: person finding answers effortlessly. Clarity, not confusion.
Beat 2	<i>Weavr learns from how your organization actually works, building a living map of knowledge that connects people, decisions, and understanding. The more you use it, the smarter it gets.</i> On screen: connections forming, knowledge map growing. Calm, expanding clarity.
Beat 3	<i>Weavr. Knowledge wisdom that grows with you. See what your organization can do.</i> Weavr icon. GuruSuite / ChangelS lockup. Amplify success. Amplify you.

Pulse Monitoring wisdom ~57 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine your team knowing exactly how your systems are behaving. Right now, in plain language. No noise. No doubt. Just clear, confident awareness.</i> On screen: calm operations team, clear signals, steady confidence.
Beat 2	<i>Pulse learns your systems, turning metrics into meaning, and meaning into foresight. Every pattern captured. Every signal understood. Your team acts with confidence, not guesswork.</i> On screen: metrics becoming insight. Calm team responding decisively.
Beat 3	<i>Pulse. Monitoring wisdom that grows with you. See what your team can do.</i> Pulse icon. GuruSuite / ChangelS lockup. Amplify success. Amplify you.

Vigil

Event wisdom ~55 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine seeing what is coming before it arrives. Your operations calm, your team ahead of every situation. Acting on insight, not alarm.</i> On screen: team moving ahead of events, poised and prepared.
Beat 2	<i>Vigil reads your events continuously, learning patterns, filtering noise, and surfacing what truly matters. So your team spends time acting wisely, not reacting blindly.</i> On screen: signal rising clearly from noise. Team focused, calm, decisive.
Beat 3	<i>Vigil. Event wisdom that grows with you. See what your team can do.</i> Vigil icon. GuruSuite / ChangeIS lockup. Amplify success. Amplify you.

Relay

Delivery wisdom ~57 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine every release going exactly as planned. Clean handoffs, clear ownership, and everyone knowing exactly what shipped, when, and why.</i> On screen: smooth delivery flow, confident team, clean completion.
Beat 2	<i>Relay learns from every deployment, building a living record of what works, what does not, and how to do it better next time. Each release becomes safer, cleaner, smarter.</i> On screen: pipeline flowing cleanly, knowledge accumulating with each cycle.
Beat 3	<i>Relay. Delivery wisdom that grows with you. See what your team can do.</i> Relay icon. GuruSuite / ChangeIS lockup. Amplify success. Amplify you.

Galen

Advisory wisdom ~59 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine having a trusted advisor who already knows your business. Ready with the right guidance, at exactly the right moment. No waiting. No generic answers.</i> On screen: leader moving with clarity and confidence. Decision made, path clear.
Beat 2	<i>Galen learns from your business, your decisions, your outcomes, building strategic guidance that fits your situation, not a template. The more you work with it, the sharper it gets.</i> On screen: guidance emerging from context. Leader acting with quiet certainty.
Beat 3	<i>Galen. Advisory wisdom that grows with you. See what your organization can do.</i> Galen icon. GuruSuite / ChangeIS lockup. Amplify success. Amplify you.

Nexa DevOps wisdom ~55 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine your DevOps and operations teams working in perfect alignment. Shared context, clear ownership, and no knowledge locked inside anyone's head.</i> On screen: teams moving in sync, handoffs clean, everyone informed.
Beat 2	<i>Nexa captures how your operations actually run, building a living intelligence that connects teams, preserves expertise, and gets smarter every single day.</i> On screen: knowledge flowing between teams, ops becoming effortless.
Beat 3	<i>Nexa. DevOps wisdom that grows with you. See what your team can do.</i> Nexa icon. GuruSuite / ChangelS lockup. Amplify success. Amplify you.

Haven Security wisdom ~54 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine your people being your strongest security asset. Confident, aware, and ready to make the right call in any situation.</i> On screen: calm, capable person making a smart security decision. No drama.
Beat 2	<i>Haven builds security wisdom through practice and learning, turning real activity into habits, habits into culture, and culture into your most powerful defence.</i> On screen: learning becoming instinct. Team moving with quiet confidence.
Beat 3	<i>Haven. Security wisdom that grows with you. See what your people can do.</i> Haven icon. GuruSuite / ChangelS lockup. Amplify success. Amplify you.

Fluid Collaboration wisdom ~55 words / ~25 sec / 0 FUD

Beat 1	<i>Imagine every conversation leading somewhere. Decisions remembered, actions followed through, and your whole team moving together. Without anyone chasing anyone.</i> On screen: team in flow. Decisions made, things happening. Effortless coordination.
Beat 2	<i>Fluid learns from how your team communicates, capturing decisions, preserving context, and turning conversation into coordinated action. Nothing lost. Everyone aligned.</i> On screen: communication becoming clarity, actions emerging naturally from dialogue.
Beat 3	<i>Fluid. Collaboration wisdom that grows with you. See what your team can do.</i> Fluid icon. GuruSuite / ChangelS lockup. Amplify success. Amplify you.
